Committee Purpose
The purpose of the Section Managing Committee is to build a collaborative community within this section, engage in dialogue to facilitate the exchange of information, and to manage training and education relevant to this section and the natural gas industry. This committee sponsors forums for member companies to learn, develop, and share best practices to enhance essential corporate functions of member companies.

Activities

- Strategize & Deliver Relevant Content for Management Conference | September 2-4, 2020 | Louisville, KY
  - Premier event to engage in discussion with industry vice presidents, directors and other senior officers where the agenda is designed to provide a platform for strategic planning, industry updates, sharing best practices and seeking solutions to challenges.
  - Committee develop and facilitate relevant roundtables to be conducted at conference; research and solicit speakers, secure presentation materials, serve as roundtable session champion as a moderator

- Sponsor/Support Roundtables for Section related to:
  - Natural Gas Connect Conference

- Support Industry-Specific Relevant Workshops/Webinars
  - Provide 2-3 liaison representatives to SGA Learning & Development department to ensure training needs are met and materials are updated.

- Support Distance Learning & Training Projects
  - **Executive Energy Forum**
    - In the future the GSM Managing Committee will conduct an annual Executive Energy Forum in conjunction with the University of Houston to promote energy education and provide students and faculty the opportunity to interface with SGA energy executives. It is anticipated that the Forum will be a one-day event with students being provided the opportunity to respond to a case study problem in a formal and competitive setting. It will be followed by a luncheon with a notable keynote speaker and then a series of roundtables including faculty, students and energy executives.
  - **Gas Machinery Research Council (GMRC)**
    - Maintain two-way communication between the Committee and the Gas Machinery Research Council to ensure research needs of industry are known and new research and technology are transferred to users and stakeholders.

- Other potential activities could include awards, conference planning, workshops, printables for distribution, webinars, opt ed article writing, blog contribution, or other innovative ideas.
Gas Supply Marketing Section Managing Activity Plan

Activity Plan 2020

Time Commitment

- 1-2 hours monthly Conference Call meetings/prep work over 12-months
- 60-90 min presentations at SGA Events, self-selected
- Attend 1-2 day Planning Meeting for Management Conference and/or Natural Gas Connect Conference, as needed
- Attend 2-3 day Management Conference

Governance

- This committee reports to the Executive Council every April with a report of section activities
- The following Committees will report up to this section:
  - Gas Forecasters
  - Liquefied Natural Gas (LNG) Operations
- Section leadership team meets bi-annually with reporting committees to provide oversight and counsel around their activity plan deliverables

Committee Information

- Committee Roster

Committee Leadership 2019-2020

Sarah Stabley  
**Chair**  
Piedmont Natural Gas  
Director, Gas Supply, Scheduling, Optimization  
Phone: (704) 731-4907  
Sarah.stabley@duke-energy.com

Matt McCoy  
**Vice Chair**  
Southern Star Central Gas Pipeline Inc.  
Director, Commercial Operations  
Phone: (270) 852-4450  
Matthew.s.mccoy@sscgp.com

Troy Davis  
**2nd Vice Chair**  
Tenaska Marketing Ventures  
Vice President, Marketing  
Phone: (402) 758-6168  
tmdavis@tenaska.com

Committee Leadership Roles

- **Chair:** Facilitate meetings and conference calls, create an atmosphere of sharing and developing; prime the committee to engage, participate and accomplish committee goals.
- **Vice Chair:** Manages the planning associated with the annual roundtable topics, speakers, and moderators.
- **2nd Vice Chair:** Assist in planning activities outside of the roundtable (i.e., workshops, webinars, collateral, copy, surveys, etc.). If a committee does not have a second activity, the 2nd Vice Chair serves as additional support where needed.
